JAMES A. GRAHAM
COMMISSIONER

Dear Friends,

The time is fast approaching for the 1996 North Carolina State Fair. You can be a part of this great event through your entry or entries in the competitive exhibits. Choose from crafts, floral, music, photography, livestock, art, dance, clothing and food categories, to name a few.

This year we have an exciting new area of competition for computer buffs. Look for computer graphics and design, multimedia design and world-wide web page design competition. Most of this competition is for youths, and can be found in the art and photogrpahy section of this book.

Your participation in the North Carolina State Fair is important to the overall success of the fair. As participation in the competitive areas grow, so does the interest of the fairgoers in seeing all the wonderful creations. Please check the categories and find areas that you and your family will enjoy preparing entries for.

Just think of the bragging rights you'll have with a blue ribbon from the North Carolina State Fair. You'll enjoy the ribbon today, and have stories to tell in the future.

See you at the fair, North Carolina's premier gathering!

Sincerely,

Jim Graham

Manager

Dear Friends of the Fair:

Please join us for the 1996 North Carolina State Fair, October 18 - 27. I am proud to serve as Manager of North Carolina's greatest ten day attraction. The theme this year, "There's Magic in the Air," succinctly describes the feeling associated with the State Fair. Our goal is to entertain and educate the greatest cross section of society possible.

Two great examples of this practice championed by our colleagues in the North Carolina Department of Agriculture. The "Down on the Farm" show, created and produced by the Marketing Division explains through costumed agricultural commodity characters the importance of agriculture. This stage show is an award winning promotional tool by N. C. Department of Agriculture to foster identification and promote the use of our state's diverse commodities.

The "Cyber Space," an exhibit of high tech applications with a focus on modern agriculture, returns bigger and better in 1996. Fair visitors can grasp these complex practices and programs through interactive, staff guided demonstrations. "Cyber Space" explains the positive role of these government programs in improving market and grower efficiency through the latest technology and the cooperative relationship with private enterprise. Children can explore farming and ranching and environmental and natural resource issues. Finally, we offer brand new categories of competition in computer related art, multimedia design and web page design.

Please review the contents of this premium book. We offer top premiums, hundreds of classes of competition and a setting to display your entry to hundreds of thousands of people.

Best Wishes!

NORTH CAROLINA STATE FAIR HISTORY

The first State Fair was founded in October, 1853 by the State Agricultural Society. One of the earliest resolutions approved was that the Society sponsor a cattle show and an exhibition of domestic manufacturers. It was planned to offer premiums to farmers who developed better practices for crop improvement, or designed and built more effective implements. Immediately plans were underway toward the first State Fair to spread constructive agricultural information.

The site for the first fair was a 16-acre tract about 10 blocks east of the Capitol in Raleigh. In the *Raleigh Register,* the city's weekly newspaper, a week before the big event ". . . the entrance fee at the gate will be 25 cents for a single person, and $1 for a carriage; and 50 cents for a buggy." The City of Raleigh contributed $25.00 toward the fair and receipts amounted to $3,000. Estimated attendance was four to six thousand. It was highly successful. An editorial appearing in the Raleigh Register Sunday morning October 22, 1853 , allowed that:

"Nearly every section of the State, and every industrial pursuit within its borders, were represented. The East sent its fine staples and its blooded stock, the West its splendid cattle and its rich minerals. The farmer poured in his agricultural products, the mechanic brought forward splendid specimens of his skill, the native artist exhibited the productions of his pen or his pencil, and the ladies of the State, never behind in any good work or beneficient object crowned the excellence of the whole with the multiplied beauties which nature had yielded to their culture, and the varied and tasteful attractions which had sprung their handicraft."

The fair was moved in 1873 to what was then described as a "55 acre broom sage field comprising an eminence known as 'Cook's Hill on Hillsboro Road some 300 yards from the N.C. and Augusta Air Line Railroad, one and one-quarter miles west of the city limits of Raleigh." This is now a residential and business district across from the campus of N.C. State University. The Raleigh Little Theatre now occupies the site.

The Agricultural Society developed these grounds at a cost of more than $50,000. The buildings consisted of a three-story octagon-shaped exhibit hall, 250 feet long and 44 feet deep. There were two wings designed as Farmers and Mechanics Halls. A 200 x 44 foot shed housed the machinery display and a three-story grandstand, judges' stand and one-half mile of railroad tracks completed the permanent structures. The offices and dressing rooms were on the first floor of the grandstand. The second deck was the spectators' area, and the third floor was called "Tete-a-Tete Hall" where one could enjoy a chair and privacy for an extra 25 cents.

By 1885 the Agricultural Society's show and exhibition had become the main annual event among rural Tar Heels.

Politics and reunions were a big part of the fair in 1903. Confederate veterans gathered at the fair and reminisced the big battles and hard times of '65 and '66.

President Theodore Roosevelt spoke to fairgoers in 1905 and was followed in 1907 by William Jennings Bryan. Speech-making was another major attraction of early fairs. Bryan, the famed "silver-tongued" orator, had already delivered his famous cross of gold speech and lost two elections. His address to North Carolinians undoubtedly was part of his third unsuccessful race for the presidency.

The Agricultural Society conducted the State Fair for 73 years. It was discontinued from 1860 through 1866 during the Civil War and Reconstruction period, and in 1918 during World War I and influenza epidemic. The fair yielded in 1884 to a month long "North Carolina Exposition" held on the fairgrounds.

In 1924 the society requested aid from the state and City of Raleigh. The first State Fair Board was appointed by Governor McLean in 1925 with representatives from the State, City and Agricultural Society. After this, the society disbanded. There was no State Fair in 1926 and I927. The late Governor J. Melville Broughton succeeded in convincing

the Legislature to designate 200 acres of land to the State Fair. Thus, the State Fair moved in 1928 to its present site with additional land granted in 1952 .

The State Fair was placed under the auspices of the Department of Agriculture in 1930. The various committees continued to operate the fair until 1933 when the Board of Agriculture leased the fair to George Hamid for operation on a commercial basis.

The late Governor W. Kerr Scott returned the State Fair to the management of the Department of Agriculture in 1937 when he took office as Commissioner of Agriculture. That year in excess of $12,000 was paid out in educational exhibitor premiums, and by 1948 this figure had reached more than $70,000. Currently the figure exceeds $240,000.

Dr. J.S. Dorton of Shelby was appointed manager of the new State Fair, Division of the Department of Agriculture, in 1937. Immediately the fair was no longer a burden and showed a profit of over $8,000. The profits have increased yearly and have been turned back into improvements for buildings and grounds.

It was in 1948 when entertainment became a big part of the State Fair. James E. Strates Shows has been a regular feature since that time and during this same year Bascom Lamar Lunsford brought the first Folk Festival, a feature that is still going strong.

The N.C. General Assembly approved funds in the late 40's for construction of a year-round facility to serve agriculture, industry, commerce and the general welfare of the state. This center for educational, inspirational and recreational events was completed in 1952 and named the J.S. Dorton Arena. The arena's unique architectural design won it acclaim as one of the significant structures of recent times.

Dr. Dorton died in 1961 and state Agriculture Commissioner L.Y. Ballentine assumed his duties until his death in 1964. It was in 1961 that the fair operated six days for the first time. Robert W. Shoffner, an assistant manager of the fair from 1947 to 1960 was appointed by James A. Graham to complete production of the '64 fair. Arthur K. Pitzer was named permanent manager in January, 1965 by Commissioner Graham.

Under the guidance of Graham, the N.C. Board of Agriculture and Pitzer's management and experienced staff, the fair has continued to grow and today is considered one of the leading agricultural, industrial and educational fairs in the nation. In 1968 the Board of Agriculture approved extending the fair's length to nine days beginning in 1969. This set the stage for the 1970's, which was to be a decade of significant growth.

Four new structures were completed: The Gov. Kerr Scott Building (1972), Crafts Pavilion (1974), Livestock Building (1975) and Forestry Resources Center (1976). An ambitious grounds improvement program of landscaping, paving, curbing and guttering was implemented. Work was also begun on Heritage Circle, an area near the fairgrounds lake set aside to highlight cultural history of the state. One of the first Heritage Circle projects was an authentic 18th century school house donated in 1975 .

A program of popular special exhibits was inaugurated. In 1972 the fair sponsored the world's largest space-related educational exhibit which was viewed by an estimated 250,000 people. A series of exhibits highlighting different N.C. field commodities each year stirred new interest and pride in the state's agricultural tradition, particularly among the non-farming public.

Several programs motivated in part by economic concerns of fairgoers were also initiated. In 1970 senior citizens were admitted to the fair free of charge. The same year the Century Farm Families program was launched.

Efforts to speak to the wishes of the fairgoers paid off handsomely at the gate. Attendance averaged 570,000 in the 1970's. In 1976 the nine-day event, highlighted with a visit by President Gerald Ford, was attended by 587,000 despite several days of cold and rain. An all-time attendance mark of more than 705,002 was set in 1987.

The State Fairgrounds operate on a year-round basis. There are 46 permanent employees, 31 of which are maintenance personnel.

Non-fairtime utilization of buildings and grounds increased dramatically in the

1970's as new sales initiatives by management and a complex of new facilities consisting of the Kerr Scott Building (exhibit hall), the Jim Holshouser Building (crafts pavilion) and Jim Graham Building (livestock pavilion) made the fairgrounds an active center for entertainment, meetings, expositions and agriculture shows.

The 1978 North Carolina Legislature authorized funds used by the fair to purchase an additional 144 acres of land adjacent to the grounds. The acquisition brought the fairgrounds to 344 total acres.

President George Herbert Walker Bush addressed fairgoers on October 21, 1992.

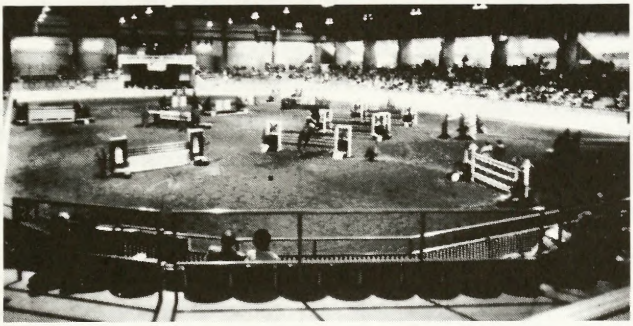

In 1983, Sam G. Rand was named fair manager succeeding Art Pitzer who retired. A new horse facility (Gov. James B. Hunt, Jr. Horse Complex) was opened, housing up to 900 head of horses.

During the years 1984-1993, the following improvements were made: New restroom facilities at Gate 8 and at the Grandstand; Underground electrical distribution system installed; Refurbishing of permanent lunchstands; New handicapped restrooms in Dorton Arena; Handicapped parking on fairgrounds; New roof on Scott Building, Graham Building, Dorton Arena, Holshouser Building, Education & Commercial Building; New roof and seats in Grandstand; Remodeling Hobby & Crafts Building; Remodeling L.R. Harrill Youth Center; Paving midway area and other parking lots; New outdoor public address system; New storm drainage system; Landscaping around Scott Building, Holshouser Building, Commercial & Education Building; New box seats in Hunt Horse Complex and new offices and restaurant addition to Hunt Horse Complex. Renovation of Sam G. Rand Grandstand racetrack to include harness racing; Demolished Industrial and Poultry Buildings.

SEPARATE ENTRY BLANKS are required for entries in each of the departments. Request the Entry Department supply you with an adequate number of entry blanks.

Competition is OPEN TO THE WORLD in the Flower and Garden Show, Folk Festival, Rabbit Department, Poultry Department, Goats, Dairy Cattle Department, Beef Cattle Breeding Animal Department, in the Swine and Sheep Departments and the Horse Show. Poultry entering the state for exhibition shall be accompanied by a permit from the State Veterinarian of North Carolina or his authorized representative.

In all other divisions and departments competition is LIMITED TO RESIDENTS OF NORTH CAROLINA.

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer, or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms or copies of this form MUST BE USED in making applications for entry.

Two will be found in the back of the book. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. *Be sure to fill out the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code, telephone number and social security number.*

Additional application forms are available upon request to: N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibition space until proper entry has been made. No entry will be accepted after the closing date listed for each department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent, or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY SUPERINTENDENT." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens, other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEAD-NOTES OF THESE DEPARTMENTS FOR SCALE OR FEES.) SEE DEPT. H, Arts and Photography head-notes for entry fees in the professional and amateur categories.

Application forms for entry should be mailed to: N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. Effective Wednesday, October 9, 1996 the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from Wednesday, October 9, 1996–Monday, November 4, 1996, 8 a.m.-5 p.m.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and

Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED but will be available, at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director who will allocate space and either personally arrange the exhibit in a suitable and attractive display or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However exhibits may be shipped or mailed to: N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed MUST BE PREPAID. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and

secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Superintendent of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sublet without permission of the Fair manager.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of $5.00 which will be retained by the Fair if the protest is not sustained. The protest must be filed no later than 3 days following the award. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individual worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND

NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and exhibitor guilty of such violation will be excluded from further participation in the Fair and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassed by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE SUPERINTENDENT OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form.

Errors in premium statements will be corrected until December 1, 1996 after which time the books of the 1996 Fair are closed.

The following colors of ribbons will be used to designate awards:

Champion	Royal Purple
Reserve Champion	Lavender
First Premium	Blue

2. Entries for each show should be made on a SEPARATE form. List all cut flowers you expect to have. It is easier to delete entries which fail to bloom in time than to enter them at the last minute.
3. At the time of the Fair, entries should be brought to the Flower Show Building on the dates specified in the catalog. The Flower Show Building is located on the west side of the Fairgrounds. Enter Gate 6 off Youth Center Road. You are permitted to drive on the grounds only to unload your exhibits.

5. Special note—to harden the flowers to be exhibited, it is suggested that they be cut early in the morning and placed in warm water (120 to 140F) and the water be allowed to cool to room temperature. Place in a cool place to keep the flowers overnight, preferrable in a cooler at about 40 degrees.

The general rules and regulations are listed in the front of the premium book. The specific rules for the Flower and Garden Show are listed below. In cases of conflict, the following rules and regulations will prevail.

1. All plants materials exhibited in the specimen classes must be grown by the exhibitor. NO artificial flowers are permitted.
2. Each exhibitor may make only one entry in each class and no entry may be entered under more than one class. However, each exhibitor may enter as many classes as desired.
3. All horticulture specimens should be clearly labeled with correct names. Indicate plant names and variety on the reverse side of entry label. Arrangement classes do not require labeling.
4. All judging will be based on the National Council of State Garden Clubs, Inc. standard system of judging. Two-thirds of the judges shall be accredited by this organization.
5. Awards in any class will be given only if merited. Only one blue (1st place), one red (2nd place) and one white, (3rd place) will be awarded in each class. (Exception-the Professional Florists class).
6. Premiums will be paid only from the judges books and not from the ribbons or tags on the exhibits.
7. Premium checks will be distributed at the Flower Show building on Monday, October 28. Those not picked up at that time will be mailed. For exception, see Division IV, Patio Gardens.
8. All exhibits will be under the supervision and care of the Show Superintendent. Every effort will be made to prevent theft or damage, but the NC State Fair, the Wake County Men's Garden Club and the Show Superintendent assume NO RESPONSIBILITY FOR THE LOSS OF PERSONAL PROPERTY OF THE EXHIBITORS.
9. Unsightly exhibits will be removed at the discretion of the Superintendent.
10. Dead flowers will be discarded within each show. Ribbons and containers will be held in the department for the exhibitors to claim.

3. Entries will be assigned on a first come, first serve basis, beginning in mid-January and will close when all of the allotted plots have been assigned. No group or individual(s) will be assigned the same patio garden location more than once every three years.
4. Each exhibitor must prepare a plot diagram of the garden not to exceed 24" x 24" to be posted in front of the garden space in public view. It should contain the common names of the plants used in the garden. The diagram is to be in place by 4 p.m., Thursday, October 17 with the name of the exhibitor masked from the judges view. Failure to do so is reason for the disqualification of the exhibit.
5. Patio gardens may be worked anytime after May 5 and must be completed by Thursday, October 17th. An early start is recommended.

6. It is appropriate to use signs to indicate donors and suppliers. Notice about them should be placed in the garden AFTER judging and in a manner not distracting to the garden.
7. At least two spotlights or equal lighting should be placed in each garden for night lighting as needed. These will be furnished by the exhibitor.
8. Bear in mind in the selection of plant materials that cool temperatures may occur during the Fair.
9. Judging will begin at 8 a.m. Friday, October 18.
10. Participants are expected to clean, to replace dead plant materials and to water daily. Pumps and fountains must be maintained in working order. Failure to do so could result in the forfeiture of the premium.

12. The judges critiques for each garden will be posted at each garden. It is important that this information be available both to the garden club members and the viewing public. This information helps to explain how the winners were selected.
13. The gardens will be judged based upon the following criteria and scale of points:

A. Design of the entire garden 30%
   1. Imagination—A resourceful and creative solution to the aspects of design
   2. Composition—Elements arranged in relation to other elements in the garden and in proper relationship to the garden sequence and focal point, etc.
   3. Unity—The arrangement of all the parts of the garden in such a manner that they constitute a whole, or promote an undivided total effect.
   4. Color Harmony—The arrangement of the various hues, shades, and colors to contribute to a pleasing effect and unified composition.

B. Design of details 20%
   1. Construction—Construction of physical features should give the illusion of reality; for example, if it is supposed to be a deck, arbor, etc., it should look like one, and should be substantial and functional. It should be large enough to serve the purpose for which it was designed, within the garden space.
   2. Planting - Use permanent planting to develop design. Supplement design with annuals, etc. Take growth habits, light and water requirements into consideration when selecting plant material. Appropriate plant material will be judged both here and under functional aspects. It will be more important to give the illusion of an established planting than allowing room for plant material to grow. Consequently, plant material may be grouped together to give the effect of a larger plant.
   3. Accessories - Accessories should be suitable to the area designed and should add to the garden, not dominate or detract from it.
   4. Finish Detail - Based on how much attention is paid to finishing touches and fine detail; for example, covering pots thoroughly with mulch, quality finish construction, well crafted plot plans, etc.

C. Suitability to Site 20%
   1. Functional aspects - The garden should be able to be used for the purpose designed. Plant material works together in the area. Physical features serve the purpose intended. Carry your idea all the way through; for example, if you plan a low maintenance area, choose a

design, plant material and accessories with this in mind. Environmental factors should be taken into account, such as sun, shade, and wind protection, etc.

2. Maximum usefulness - The area is developed to its full potential and serves the purpose for which it is designed.
3. Walks and paved areas - Walks should be used within a design context to appear to belong. Walks and paved areas should be wide enough to be useful and suitable for the purpose they are intended to serve. Walks should either have a destination or disappear with the illusion .. of a destination (example behind an appropriate screen or planting).

D. Planting 10%
Consideration shall be given to the quality and variety of plant material.

E. Appearance 20%
Consideration will be given to the overall beauty and visual impact of the garden.

EXHIBITS MUST BE IN PLACE: Thursday, October 17, 1996, at 2:00 p.m.

SPECIAL NOTE!!

Because of the extended duration of the N.C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ THESE IN FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all- are repeated herewith for emphasis, and others apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. Official printed forms must be used in making application for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in EACH CLASS - "1" Fruits and Nuts, and "2" and "3" Vegetables, of this department, and separate forms for entries in each

other department of the Fair. Be sure to fill in the application form completely, accurately, and legibly. Give your rural route number, post office box number, or city street address, zip code, and social security number.

List the Department Letter "G" for Horticulture and the Class Number "1" for Fruits and Nuts, and "2" and "3" for Vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairground, an Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all horticulture products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairground no later than Wednesday, October 16, and should be addressed to: Superintendent, Horticulture Department, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack, plate, box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, and the contents of the package.

The State Fair will furnish PLATES, TRAYS AND BOXES FOR SWEET POTATOES for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. *Standard size tray, 11 1/2 x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit. To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

Variety	Diameter
Arkansas	3 to 3 1/2 inches
Bonum	2 3/4 to 3 inches
Delicious and named bud sports	2 3/4 to 3 1/4 inches
Golden Delicious	2 3/4 to 3 1/4 inches
Granny Smith	3 1/8 to 3 3/8 inches
Grimes	2 3/4 to 3 1/4 inches
Jonathan	2 3/4 to 3 inches
Rome and named bud sports	3 to 3 3/4 inches
Stayman and named bud sports	3 to 3 3/8 inches
Winesap	2 3/4 to 3 inches
Winter Banana	2 3/4 to 3 1/4 inches
York and named bud sports	3 1/8 to 3 3/8 inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. **Any exhibit that rots, is unsightly or becomes unsightly** will be removed from display (after judging) at the discretion of the superintendent.

QUALITY - NOT QUANTITY

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will be awarded MAINLY ON THE BASIS OF QUALITY. Do not knock or

shake fruit from the tree, but pick each specimen by hand. Products should be exhibited as nearly as possible in their natural state, and no preference will be given for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and placed in containers provided by the N.C. State Fair.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalog, except in the case of seedlings never before exhibited.

Grower's name may not be displayed on exhibit until after the judging.

AWARDS AND JUDGING

No award will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

Computer Art

We are pleased to announce the introduction of three entirely new categories of competition
for the 1996 North Carolina State Fair—World Wide Web page design, Computer Graphics and Design, and Multimedia Design.

This exhibition will be a "themed" competition. We invite you to use the 1996 North Carolina State Fair theme - *"There is Magic in the Air!"* The Computer Art Competion will be showcased in the Cyber Space Exhibition Building on the front patio of the Governor Scott Building.

Each school in North Carolina is invited to submit up to a maximum of (6) individual entries by (6) individual students, or the works can be a collaborative effort by student teams or classes. It may be more practical to expect only one Web Site Design or one Multimedia Design from the schools at this time. However, as your expertise grows, so will our department grow to accommodate your entries. These student works should have been done as part of a school assignment within the last year.

In addition, there is an open category for individuals 18 years of age and older. One entry will be accepted for each category.

During the 1995 State Fair, over 149,000 people visited this exciting new exhibit of technology, and there were over 20,000 different accesses of the N. C. Department of Agriculture World Wide Web site. For more information, email us at CyberSpace@ncdamail.agr.state.nc.us.

Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Display Booths must be reserved on or before July 1. Booths not requested by this date will be assigned by invitation. Booth space will be allocated on basis of show record of applicant if there are more applicants than available space. All entries in this class must contain honey as one of the principal sweetening ingredients.

Entries must be prepared from ingredients compatible with commonly accepted recipes for the class in which they are entered. The purpose of this competition is tc demonstrate skill in the use of honey in cooking. There are no other ingredient restrictions, and commercial mixes may be used.

Factors such as whether the entry is representative of the entered class and freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department "W" (Culinary) Class 2 will be used as guides in judging foods cooked with honey.

All entries in these classes shall be on cardboard or paper plate and enclosed in a clear plastic bag tied with a twistem. No entries on glass or china will be accepted for display.

Exhibitors are required to enter at least 1/3 of a cake and bread for judging. Junior and Senior entries cannot be from the same cake. Commercial mixes are acceptable but not ranked as highly as items made from scratch. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent. BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

ENTRIES

MAKE YOUR ENTRIES EARLY!! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making application for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office number, or city street address, zip code, Social Security Number or Federal ID Number, and telephone number, including area code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces or pens you will require, including those to be used for tack, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes. But it is not necessary to name the animals which will make up your group or herd until after judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bonafide owner, who must show official evidence of ownership of animal at least 30 days prior to showing. (See exceptions to this rule for group classes only in some departments.)

Each breed of Livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 1997 N.C. State Fair Premium List.

FEES

Entry fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. 3. A statement by the veterinarian signing the health certificate that the animals listed are not infected with, or have been recently exposed to, any communicable disease to the best of his/her knowledge.
4. If the sheep originate from a scab eradication area, a statement from the veterinarian to the effect that the flock of origin is scab-free, and the animals listed on the health certificate have been dipped under State or Federal supervision within 10 days prior to entry to the Fair.

Health certificates for the exhibition of sheep are valid for 60 days from the date of issue.

ALL ANIMALS ENTERING THE FAIRGROUNDS

Any animal of the above species entering the fairgrounds *regardless of their purpose of entry* must meet the requirements that are listed above for that species. In addition to the entry equirements for exhibitors, any equidae entering the fairgrounds for any purpose must be accompanied by an official health certificte signed by an Accredited Veterinarian or an approved State or Federally employed veterinarian. The health certificate must contain the following:

1. Name and address of the owner.
2. Description of the equine including age, sex, breed.
3. A statement by the veterinarian signing the health certificate that the equine, if 9 months of age or over, has passed a negative official test for equine infectious anemia within 12 months of entering the fairgrounds. The date of the test and the laboratory where tested must be listed on the health certificate.
4. A statement by the veterinarian signing the health certificate that the equidae listed are not infected with, or have been exposed to any communicable disease to the best of his/her knowledge.

EXHIBITS AND EXHIBITORS

Only vehicles operated by the Fair management will be allowed in the barn area.

The Fair management will use diligence to ensure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits). <u>All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge.</u> Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals and excessive leanness, in which conditions are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. Boars over one year of age must have their tusks removed.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required

to remove their stock from the Fairground within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, including the use of steroids and other drugs, as well as lifting, dyeing or filling under the skin, will be considered fraud and deception. The North Carolina State Fair Management reserves the right to test the grand and reserve champion barrow, steer, and wether, and to conduct other random testing as deemed appropriate. The grand and reserve champions may be sampled at the fair. Exhibitors involved in any such treatment will be barred from exhibition at this Fair, and all Fairs holding membership in the International Association of Fairs and Exposition will be notified.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent of Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor, except for some Junior Exhibitors. The Fair management will not pay any charges for express, freight, or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Exhibitors are not allowed to make substitutions between breeds. One substitution may be made within the breed.

JUDGES AND AWARDS

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First", "Second" and "Third". He would receive only the first and second premium monies, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in the case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Director by noon of the day following the award, accompanied by a protest fee of $5.00 which will be retained by the fair if the protest is not sustained by an impartial protest committee appointed by the General Livestock Director. No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his/her discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

HERDSMEN'S CONTESTS

Special prizes will be awarded in contests for herdsmen, shepherd and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required. Judges will be assigned by the Livestock Director.

The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the Herdsmen's contest

making their decisions.

LIVESTOCK HALL OF FAME

The Livestock Advisory Board has approved the creation of the North Carolina State Fair Livestock Hall of Fame to recognize and honor outstanding supporters of the Fair. Individuals will be inducted each year, beginning with an inaugural ceremony during the 1980 Fair, based on their activities supporting the Fair and their length of service.

Candidates for induction can be producers of livestock that have exhibited and promoted livestock shows at the fair, or a person who has served as a fair employee, representative of business, extension workers and others from agricultural organizations. Their contributions have occurred in the past as well as the present, and deceased nominees will be considered.

Pictures of the inductees will be framed and displayed in the Jim Graham Building.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Department.

MAKE YOUR ENTRIES EARLY!! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making application for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for making entries in other departments and separate forms for the Junior and Senior Shows. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office box number, or city street address, zip code, social security or federal ID number.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, *including those to be used for gear, feed and bedding.* No fee is required for entries exclusively in the Junior Show. Junior entries wishing to show in the open show will be required to pay stall fee in accordance with open show registration. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.*

List, also, on the application form the name and registry number of each animal entered, its date of birth , and its sex. Bring your registration certificates to the Fair; they

must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of show of all group classes.

All animals over six months of age must be registered with their respective breed associations in the name of the bona fide owner.

In breeding classes, to be eligible to show, all cows 42 month of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirements, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "over-done" (overloaded with flesh) they will be discriminated against accordingly.

FEES

Entry fees are required for all entries in the senior and open classes of the livestock Division. *Entries exclusively in the junior livestock shows are not subject to fees.*

All applicants for entries must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of animals you will be bringing and pay for up to two (2) additional spaces for tack and feed. Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

Mail entries, make check for stall fees payable to, and address requests for additional application forms and further information to N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

THE PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the various dairy breed associations to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, The Purebred Dairy Cattle Association believes that it is in the best interest of the breeders of registered dairy cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring. It recognizes that there are certain practices in the proper care and management of dairy cattle which are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the cataloging, handling and presentation of cattle in the show ring which are unacceptable.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered dairy cattle.

(1) Misrepresenting the age and/or milk status of the animal for the class in which it is shown.

(2) Treating the animal, particularly the udder, internally or externally, with an irritant or counterirritant, or other substance to artificially improve the conformation.
(3) Surgery or insertion of foreign material under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
(4) Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the breed or the show.
(5) Setting teats or manipulating a teat to alter its normal position such as to unnaturally hold its plumb or to alter its length.

The following practices and procedures are considered to detract from the image of the show ring when carried to excess and will be given slight to serious discrimination in placing animals within class.
(1) Excessive manipulation of hair.
(2) Use of artificial hair except for false switches.
(3) Unsportsmanlike conduct on the part of showmen.
(4) Improper fitting practices such as over filling and over bagging.

Practices which should be encouraged to enhance the image of the show:
(1) Establish uniform dress code for exhibitors in the show ring.
(2) Recognize good herdsmanship and exhibits in the barn in keeping with the basic philosophy of the PDCA, ethics are an individual responsibility of the owner of each animal shown.

Violations of these policies are subject to the disciplinary provisions of the appropriate dairy breed association and/or show management.

HERDSMEN'S CONTEST

1st	2nd	3rd	4th	5th
$100	$50	$50	$50	$50

All herdsmen in charge of dairy animals entered in the Senior "Open" Show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Thursday, October 24 at noon and will continue until noon Sunday, October 27 at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

HEALTH REGULATIONS

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle . Common water troughs are forbidden. All trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING FACILITIES

Facilities for milking will be available for exhibitors with lactating cows. Exhibitors are encouraged to use these facilities and avoid milking cattle in open pails in the barn. **Anyone caught adding milk containing antibiotics to the bulk tank will have premiums withheld.** The facility will open Wednesday, October 23, at 5:00 p.m. and will close Monday, October 28, at 8:00 a.m.

FEEDING AND BEDDING

Bedding will be available on the grounds. Exhibitors will need to bring feed and bedding with them or arrange purchase of same off the grounds.

Exhibitors may use any ideas they wish on how to "dress" or "decorate" their dairy animals to represent any personality, place or thing, with emphasis on dairy production. Costumes may consist of any material as long as it is not considered harmful to the animal or potentially harmful to other exhibitions. A 5-10 minute period will be allowed for "finishing touches" after the animals enter the ring.

Presence in the show ring constitutes entry in the class. Judging will be based in part on creativity and attractiveness. This class will be held immediately after the completion of all the type classes on Saturday.

RULES AND REGULATIONS

BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Department.

MAKE YOUR ENTRIES EARLY!! THE RIGHT IS RESERVED AND WILL BE USED TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making application for entry. Two will be found in the back of this book. Additional copies are available upon request. **Use separate**

forms for making entries in other departments. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, including those to be used for gear, feed and bedding. Payment of a fee of $5.00 for each space requested must accompany your application.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on the fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the championship classes. *Use a separate line for each animal.* Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent. No photo copies will be accepted.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1996. No Exhibitor may win more than two premium monies in any one class.

Failure to properly display exhibitor/entry number during show will constitute forfeiture of premiums.

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinarian Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

A breed must have more than 30 head shown in the individual classes to maintain a show.

If a breed drops below 30 head in the show, it will automatically be placed on a one-year probation. If the breed falls below 30 head two consecutive years, the show will be dropped.

For a breed to start a new show, the application must be made to the State Fair General Livestock Directors along with assurance of at least 30 head by December 1 preceding the date of the proposed show. An official show classification from the breed registry must also accompany all requests.

All breeds desiring a live animal display will make the request in writing to the State Fair General Livestock Director by September 1. Regular breeding cattle tie spaces will be assigned by the beef superintendent not to exceed 10 tie spaces including tack. The display cattle will be subject to the same rules and regulations as the open show entries.

Official Breed representatives are encouraged to attend the show and check animals to be shown. However, they must complete their duties and inform the Livestock Office 20 hours prior to show time or not later than 4 p.m. the day preceding their respective show whichever is greater.

ABERDEEN-ANGUS SHOW

"Competition Open To The World"

PARTICIPATION STATEMENT

Exhibitors must have the original registration certificate on each animal available for inspection at the show.

Any animal not having legible tattoo is ineligible to compete and will be barred from showing.

BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules (Part 3, Section XI, Rule 2) each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE. Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the Association personnel participate.

The recorded sire and dam must qualify as parents of the sampled animal through blood chemistry. If recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void. Any animal with a non-traditional blood type is ineligible for the Angus Herdbook.

All show under Red Angus Association sponsorship will be conducted under a joint show provision wherein Category I-A and Category I-B show together in the same classes. G. Unacceptable modification, alteration, grooming, fitting or treatment of hooves will subject the individual animal to disqualification in the show.

H. The use of "false tailheads" is considered an unethical fitting practice. Any animal found to have a "false tailhead" will be immediately disqualified. The exhibitor responsible for use of the "false tailhead" will be subject to disciplinary action by the Board of Directors of the Red Angus Association. BEEF SUPER SHOWPERSON AWARD

The objective of the Beef Super Showperson Award is to provide recognition to youth that have developed proper showmanship skills through work with their livestock projects. These skills will be evaluated separately from the quality of the animal shown while the youth exhibit an animal in the Junior Market Steer and Heifer Shows. The showperson judge, a second official, will select the youth solely on their showmanship ability.

Youth are automatically entered into this showmanship competition. Youth must exhibit the animal they entered to be fully eligible for the award. Youth that show for another exhibitor will **NOT** be eligible.

Recipients of the Super Showperson Award will be recognized at the conclusion of each class. A **one time** monetary award of $25.00 and a Beef Super Showperson pin will be provided by the NC State Fair to each exhibitor honored. Youth may be recognized in more than one class if circumstances merit the award.

Youth to be recognized will not be a set number. No minimum or maximum quotas exist. The showmanship judge will simply recognize all youth that are deserving of the Super Showperson Award.

JR. BEEF HERDSMEN'S CONTESTS

1st–$125 2nd–$100 3rd–$75 4th–$50 5th–$25

BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken, even though this time occurs before date of closing entries.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately, and legibly.* Give your rural route number, post office box number, or city street address, county, and zip code.

Indicate on the form the total number animals you will exhibit in each class and each show. For entries in the senior classes (including barrow shows), payment of $2.00 per head must accompany your application.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the championship classes.

All breeding animals must be registered with their respective breed associations and certificates of registration must be presented at time of show for checking as to earmarks.

All animals must be entered in the name of the bona fide owner who must have owned the animal prior to September 15, 1996.

No exhibitor may make more than two entries in any one class except that 3 barrows may be shown per class.

Boars, one year old and older, shall have their tusks removed prior to showing, or they will be disqualified.

Health regulations of the Veterinary Division of the N.C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "GENERAL RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Further, an animal that is exhibited and not properly identified will be thrown out of the show. Unanimously approved by all secretaries of the members of the National Association of Swine Records, March 2, 1958.

Any registration certificate that has been altered or falsified will result in the exhibitor being dismissed from the show.

RULES: Except where noted, the general rules of the Fair and of the Livestock Department will apply and govern this Show.

JUDGING:

Classes will show on Saturday, October 19, at 12:30 p.m., lightweight to heavyweight, with classes not to exceed 20 animals each, followed by a championship drive.

The show is open to purebred or crossbred barrows weighing between 220-260 pounds. An exhibitor (individual, firm, family or herd) may show a maximum of 5 animals.

(No Oil or Powder to be used on Barrows.)

All of the animals as placed on foot will be slaughtered and will be eligible for premiums in the on-rail class. However, the Judge is instructed to disqualify and eliminate from competition any defective or unsound animals. Barrows that are obviously over age and barrows that are late castrates can be disqualified and eliminated. All barrows will be sold to a packer as determined by the Livestock Director.

The carcass placing will be on the basis of certification requirements, estimated percent lean cuts, and carcass quality as determined by the Carcass Evaluation Committee. Estimated lean cuts will be determined by conversion factors endorsed by National Pork Producers Council using carcass weight, loin eye area and fat depth.

(An official health certificate is required for all barrows. Negative test for PRV within 30 days for non-qualified herds.)

Indicate on the form the total number of animals you will exhibit. Payment of $2.00 per animal entered must accompany your application. Pen space will be assigned by the Superintendent. Please indicate on entry form if your animals need to be penned adjacent to another exhibitor.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the flock classes, but it is not necessary to name the animals which will make up your flock entry until after the judging of the individual classes. Entries in flock classes must have previously been exhibited in the individual classes.

Substitutions will be accepted for animals within the same class only. Substitution can be made only in the name of the original owner-exhibitor as listed in the entry catalog.

All animals over three (3) months of age if entered as purebred must be registered with their breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1996. Cross bred animals must be entered in the name of the bona fide owner who must be able to show proof of ownership for at least 30 days prior to October 1, 1996. Registered animals for which no registration papers are furnished will be shown as commercial.

NOTE: Fleece class is NOT a "FLOCK" class. Entry fee of $2.00 will be charged per animal and entry must be listed with usual information on the entry form.
Fleece classes are open to yearling rams, ram lambs, ewes and wethers of any age.

List on the application form the registry number, date of birth, sex and number of each animal shown as purebred. Registration papers will be checked prior to the show. Age of purebred ewes may be obtained from registration certificates. Commercial ewes will be mouthed at check in. All junior lambs must have all temporary teeth in place at the time of the show. Commercial yearling ewes which have shed their second pair of temporary teeth will be shown subject to approval of the Superintendent. Superintendent will rule on all other questions regarding age.

ALL SHEEP MUST BE CLEAN AND PROPERLY FITTED TO QUALIFY FOR ENTRY IN THIS SHOW.

No exhibitor may win more than two premium monies in any one class.
Each exhibitor will be limited to one entry in each of the group classes.
Only one person per sheep is permitted in the show ring except in the exhibition of yearling, fall lambs and group classes.

The Health Regulations of the Veterinary Division of the NC Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all - are repeated here for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and zip code - telephone number.

In filling out the form, write "Poultry" or department letter "Q" in the first column headed: "Dept." In the next column headed: "Class no." write the letter "A" if your bird is entered in the "Standard Breed Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a Barred-Plymouth Rock pullet in the Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN BROUGHT TO THE FAIR. Important: LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM. Space cannot be reserved until receipt of the coop fee, and, remember: The right is reserved to reject entries after all available space is taken. A coop fee of $1.00 for each bird

exhibited must accompany your application form.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. Owners and breeders must maintain a breeding establishment sufficient to raise the birds so exhibited.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection will be the guide of the judges in awarding premium. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of $5.00. Basis for protest: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days of admission to the Fair. The test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be eight cents per bird, with a minimum fee of $1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 45 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryngotracheitis with a modified live virus vaccine at least 45 days and not more than one year before the show.

All chickens and turkeys must be identified with numbered tamper-proof bands. Bands placed on birds tested at the fairground by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture.) **Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.**

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.

Out-of-State birds will not be admitted this year.

RULES AND REGULATIONS

Except in case of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair, and the General Rules and Regulations of the Poultry and Small Stock Division, will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some - but not all- are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

The conduct of the show will be in accordance with the latest revised official show rules of the American Rabbit Breeders Association. For a copy of these rules contact: GLEN CARR, SECRETARY, AMERICAN RABBIT BREEDERS ASSOCIATION, P.O. BOX 426, BLOOMINGTON, IL., 61702. Interpretation of these, and other rules of this department will be invested in the Department Superintendent, the Judge and the Division Director. Their decisions will be final, except in the case of official protest as explained in the General Rules and Regulations of the State Fair.

This show is sanctioned and conducted in cooperation with the North Carolina Rabbit Breeders Association. However, membership in or registration of animals with the North Carolina or American Associations is not required to enter or compete.

ENTRIES

MAKE YOUR ENTRIES EARLY. Due to housing restrictions of 519 coops, the right is reserved to reject applications received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments.

Be sure to fill in the application form completely, accurately and legibly. Give your

social security number, rural route number, post office box number, or city street address, and zip code.

List the department letter "R" and premium number under which each entry is made. THIS IS VERY IMPORTANT. For instance, if you were entering a Senior Doe American White Rabbit in the individual class, you would list "R-11" in the column headed "Premium List No." on the entry form (SEE PREMIUM LIST). Be sure to also give the other information requested on the application form, including AGE AND SEX.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

No exhibitor will be permitted to make more than three entries or win more than three premiums in any one class, INCLUDING FUR CLASSES.

FEES

Payment of the following must accompany application for entry:

	Additional
Single Rabbits	$1.00
Fur and Wool Classes	$1.00
Doe with Litter	$1.00
Meat Pens (per pen)	$1.00

Mail entries, make checks payable, and address requests for additional application forms and further information to: N.C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607. ENTRY FEE MUST BE SENT WITH ENTRY BLANK. PLEASE INDICATE IF YOUR ENTRY IS FOR THE OPEN OR YOUTH SHOW.

EXHIBITS AND JUDGING

The Fair management will use diligence to insure the safety of stock, and will have qualified attendants on duty day and night to feed, water, and care for the animals, but under no circumstances will it be responsible for loss, injury, theft, or damage by fire, lightning, wind or any other cause.

Stock brought to the showroom by the owner and arriving sick will be returned to the exhibitor at check-in time and for the purpose of judging will be considered "Not Shown" and entry fee forfeited. Stock shipped in for exhibition which arrives sick or any stock which becomes ill during the course of the exhibition will be removed and placed under the care of a veterinarian.

Shipments of stock must be prepaid. The Fair management will not be responsible for any shipping, drayage or other transportation charges to the Fair. Shipments should be addressed to: SUPERINTENDENT, RABBIT DEPARTMENT, at the above address. Return shipments will be made collect by the Fair, without drayage charge, if directed by the exhibitor on his application form. Shipping crates should be strongly constructed and have the owner's name and address plainly and permanently marked thereon. The Fair management will not be responsible for any loss or damage. Each coop has an automatic waterer. IF YOUR RABBITS ARE NOT ACCUSTOMED TO AUTOMATIC WATERERS—PLEASE BRING A CONTAINER FOR EACH RABBIT.

No person will be allowed to handle exhibits without permissions of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all award and premiums previously won. The judging will be done with an enclosed arena and only officials of the show and their designated helpers will be permitted therein.

Each animal must have a permanent ear mark, which must be listed on the entry form. No adhesive tape or pencil marks will be accepted.

The right is reserved to substitute another judge in the case the judge listed is unable to officiate. Each animal must be entered in the name of the bona fide owner, otherwise

exhibitor forfeits all entry fees and premiums.

NO SUBSTITUTIONS OF ANIMALS ALLOWED EXCEPT IN SAME BREED, CLASS, AND SEX.

HEALTH REGULATIONS

Rabbits

The coops are equipped with an automatic watering system. The feed for the rabbits is supplied by the Fair. An attendant is available at all times to feed and care for the rabbits.

1. All rabbits will be presented for examination before being placed in the show. The Show Veterinarian will not accept rabbits infected with or showing any clinical symptoms of infectious or communicable disease. Rabbits developing symptoms of infectious or communicable diseases during the show will be placed in isolation and shall not be removed for purpose of exhibiting.
2. Boxes used in transporting live rabbits to the Fair will not be allowed to remain inside the exhibit building during the Fair. They may be brought into the building in order to place the rabbits on exhibition, and again to pick up the rabbits Monday morning, October 21, 1996.

B. Any animal which does not display a good condition of health and vigor or is deemed unsuitable for public exhibition may be refused at check-in and for the purpose of judging will be considered "Not Shown" and entry fee forfeited.

C. The litters in Doe and Litter classes must be 6 to 8 weeks of age.

N.C. RABBIT BREEDER ASSN., "Specials"

In support of the Thirty-eighth State Rabbit Show at the 1996 N.C. State Fair, the North Carolina Rabbit Breeders Assn. is offering rosettes for Best of the six breeds having the largest number of entries.

There will also be licensed REGISTRARS at this show to Register any qualified rabbit with the American Breeders Association if the owner desires.

YOUTH CLASS

If they desire, Junior Exhibitors from age 9 through 18, may designate that their entries be judged in the Youth class instead of the Open Class. The rules and regulations, entry fees and awards are the same for both classes. It is against American Rabbit Breeders Association Rules to enter rabbits in any Youth Classes and also be in Open Class competition in the same show. However, youth can make entries in both Open and Youth with *different* rabbits. **IF YOU WANT YOUR ENTRY JUDGED IN THE YOUTH CLASS PLEASE MAKE THIS REQUEST ON YOUR ENTRY BLANK. OTHERWISE, IT WILL BE JUDGED IN THE OPEN CLASS COMPETITION.**

The youth show will be judged on Saturday, October 19, 1996.

Division IV

NORTH CAROLINA COOPERATIVE EXTENSION SERVICE

The North Carolina Cooperative Extension Service helps people improve the quality of their lives by providing research-based information and informal educational opportunities focused on issues and needs.

The Extension Service is a unique educational system with support from county, state, and federal governments, and close ties to the state's two land-grant universities: North Carolina State University and North Carolina A&T State University.

The important elements contributing to the organization's success include its unique structure, its use of research-based information, and its use of the strong guidance received from those it serves in setting priorities.

The educational philosophy of the Extension Service is to help individuals, families, and communities learn to identify and solve their own problems.

DEPARTMENT "U"—PROGRAM EXHIBITS

The educational programs of the North Carolina Cooperative Extension Service represent a contract between the Extension Service and the people of North Carolina. The commitment is to deliver educational programs that benefit individuals, families, communities, farmers, and other businesses in addressing those needs and concerns that they have helped to identify.

Through its current plan, "Visions for the Future," the Extension Service is projecting a North Carolina with:

- a productive and profitable agriculture
- a protected and enhanced environment
- stable communities

- strengthened families.

Major issues that will be addressed are:

- alternative income opportunities
- environment and the conservation of natural resources
- families in crisis
- food safety and quality
- health
- rural revitalization
- sustainable agriculture
- water quality and waste management, and
- youth at risk.

Educational efforts on these issues will complement strong ongoing programs in agriculture and natural resources, community and rural development, home economics, and 4-H and youth.

STATE FAIR FOLK FESTIVAL
DEPARTMENT "AA"
TOTAL PREMIUMS OFFERED - $1,005

SUPERINTENDENT:
ANNETTE PULLEY, 1638 Gate #2 Rd., Creedmoor, N.C. 27522
COMPETITION: Open to all residents of U.S.A.

ENTRIES: All individual and group entries may be made in person or by mail to FOLK FESTIVAL, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607.

ENTRIES CLOSE: September 30, 1996

The Folk Festival was established in 1948 to preserve and promote the music and dance of the North Carolina's early years and to provide wholesome entertainment for visitors to the Fair.

The Festival presents the traditional music and dance of our state as it is performed by amateurs, persons young and old, who have grown up in the rich heritage of our folk arts. Commercial, professional or secretarian performances are not appropriate.

To be eligible for prizes, performers must have proper entry forms post-marked by the closing date listed above. Properly entered contestants will have priority on the limited program time. However, the Fair welcomes impromptu performances by anyone attending the Fair subject to the restraints of time and the nature of the performance. Such persons should apply to the Superintendent in the Festival tent.

The Fair will provide an experienced string band to accompany performers. Amplified instruments, records and tapes are not to be used *except* with *Prior approval* of the Superintendent. *Check with Superintendent before showtime: about set-up time for instruments and equipment (very limited time available), subject to approval for tapes - be sure tapes are set at exact starting point. Please use our Band if at all possible!

Contestants should register for the Festival for one day only and should be prepared to perform at all performances on that date. Programs will be presented at 10:00 a.m., 1:00 p.m., and 4:00 p.m. each day during the Fair. All entries are expected for all shows on the day of their entry unless a large number of entries require the Superintendent to limit your times of performance.

Winners will be responsible for picking up their trophies at the entry department at the Fair office after they receive notification. Judging takes place at all programs and the decision of the judges is final.

Five factors are considered in scoring Festival performances: Authenticity, Audience Appeal, Appearance, Competency, and Enthusiasm. The perfect score is 100.

Winner will be notified by mail on the Monday after the Fair closes.

*There will be no "on grounds" parking for Folk Festival participants, so any instruments or equipment must be brought by hand from the parking areas.

About 20 apprentices usually match their skills in the contest, according to the records of the last few years.

The masonry contest dramatizes a program which the State has sponsored through the past five decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workers. At present, approximately 5,000 people are receiving apprenticeship training on the job under the direction of journeymen, supplemented by related classroom instruction.
